TECHNICAL DATASHEET

Thermomaster UL socle profile

Product:	Thermomaster UL socle profile
Supplier:	MASTERPLAST Kft., 8143 Sárszentmihály, Árpád u. 1/a. (www.masterplastgroup.com)
Size, packaging:	In bundle
Application:	For the horizontal stop of external thermal insulation systems. Intended to be used before the bonding of the first row of EPS or mineral wool.
Material:	Perforated, cold-formed aluminium with perforated water-dripping part

Properties	Relevant standards	Technical data
Length of profile	MDV	250cm (±1cm)
Thickness of profile	MDV	0,5mm (±0,03mm)
Width of profile	MDV	2 - 12 cm

Storage and handling

Under dry conditions, protected against against rain.

Guarantee, warranty

In accordance with the current legislations and the conditions of the distributor. The observation of the application rules of the product and presentation of the invoice constitute a prerequisite for possible future warranty claims.

Standards, specifications

ETAG 004, Application guidance of Thermomaster ETICS (Masterplast)

Health and safety

No labelling required in accordance with the relevant regulation (EC) No. 1907/2006 of the European Parliament and of the Council (REACH).

This datasheet corresponds to our current knowledge, experiences and general informations on the subject, but may be revised as new knowledge and/or experience becomes available. It does not imply any legally binding assurance. The product possesses the given technical characteristics. Since all variations of end-using of the product can not be anticipated, the designer/end-user's responsibility to make sure of the suitability of this product for particular purposes, structures.

This technical datasheet is applied to products sold by Masterplast Kft. and valid until withdrawal or until modification. Since this datasheet may be subject to revision, it is the responsibility of designer/end-user to make sure of possessing the latest version of the datasheet (*see date of issuing). Most recent version of this datasheet can be also accessed under www.masterplastgroup.com. Modification of the technical datasheet repeals the previously issued versions!
